## **BOOK SYNOPSIS**

Many books are available for specific tests such as the MCAT, GRE, and PCAT, but how do you study for your everyday classes to make the good grades on your report card and transcript? Many schools teach time management and the subject matter, but you are on your own when you get home. This book has 10 great tips on how to study at home to make the grades you need to be successful in school, your job, grocery shopping, and more! If you never learned study skills, you will gain insight from reading this book. Build your confidence and help your future. There are also bonus tips on how to be a great student in 10 Tactics to Tackle Studying!
