BOOK SYNOPSIS

For many who work in health care today, overwhelming business pressures and perceived barriers to change have nearly extinguished the flame of their passion to help others. In this book, Quint Studer sparks a trend toward purpose, worthwhile work, and making a difference in the health care profession. He shares his personal story and teaches the reader how to apply specific prescriptive tools and practices to create and sustain a world-class organisation. "Hardwiring Excellence" is a huge success, changing the way countless physicians and their teams operate.
