BOOK SYNOPSIS

The main objective in writing a thesis or dissertation is to teach students how to conduct research in a planned and systematic way. Health Promotion and Education Research Methods, Second Edition provides a comprehensive and thorough presentation of the skills and processes needed to complete high quality research. Students will receive an overview of the different approaches to research methods and are introduced to the five-chapter thesis or dissertation format. Each chapter contains information relevant to the writing of one or more chapters of a thesis or dissertation. Designed for health e
