## BOOK SYNOPSIS

In this thoughtful, deeply personal work, one of the nations best-loved voices takes the plunge into politics and comes up with a book that has had all of America talking. Here, with great heart, supple wit, and a dash of anger, Garrison Keillor describes the simple democratic values-the Golden Rule, the obligation to defend the weak against the powerful, and others- that define his hard-working Midwestern neighbors and that todays Republicans seem determined to subvert. A reminiscence, a political tract, and a humorous meditation, Homegrown Democrat is an entertaining, refreshing addition to todays rancorous political debate. \* A New York Times bestseller \* Updated and revised with a new introduction for the 2006 midterm elections \* A Featured Alternate Selection of the Book-of-the-Month Club
