BOOK SYNOPSIS

This smash bestseller about privileged Vassar classmates shocked America in the sixties and remains “juicy . . . witty . . . brilliant” (Cosmopolitan). At Vassar, they were known as “the group”—eight young women of privilege, the closest of friends, an eclectic mix of vibrant personalities. A week after graduation in 1933, they all gather for the wedding of Kay Strong, one of their own, before going their separate ways in the world. In the years that follow, they will each know accomplishment and loss in equal measure, pursuing careers and marriage, experiencing the joys and traumas of sexual awakening and motherhood, all while suffering through betrayals, infidelities, and sometimes madness. Some of them will drift apart. Some will play important roles in the personal dramas of others. But it is tragedy that will ultimately unite the group once again. A novel that stunned the world when it was first published in 1963, Mary McCarthy’s *The Group* found acclaim, controversy, and a place atop the New York Times bestseller list for nearly two years for its frank and controversial exploration of women’s issues, social concerns, and sexuality. A blistering satire of the mores of an emergent generation of women, *The Group* is McCarthy’s enduring masterpiece, still as relevant, powerful, and wonderfully entertaining fifty years on. This ebook features an illustrated biography of Mary McCarthy including rare images from the author’s estate.

THE GROUP - Are you looking for Ebook *The Group*? You will be glad to know that right now *The Group* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Group* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Group* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Group*. To get started finding *The Group*, you are right to find our website which has a comprehensive collection of manuals listed.
